## PAUL PHELPS CONTINUING EDUCATION GRANTS

NPSS-sponsored Conferences that have Short Courses solicit nominations for Paul Phelps Continuing Education Grants. These grants are intended either for tuition in NPSS Sponsored Short Courses or for partial or total travel expenses to attend NPSS Short Courses. These grants are available for outstanding Student Members of NPSS and unemployed members of NPSS who need assistance in changing career directions. Please seek details for each conference on the conference website or from the General Chairman.

## VALENTIN T. JORDANOV RADIATION INSTRUMENTATION TRAVEL GRANT

The Valentin T. Jordanov Radiation Instrumentation Travel Grant, funded by Dr. Jordanov through the IEEE Foundation, supports student and recent graduate attendance at the annual IEEE NSS-MIC Symposium. Awardees are selected from the technical field of radiation instrumentation to which Dr. Jordanov has been a distinguished contributor. Students at all levels and recent graduates worldwide may apply.

# RECOGNITION: YOUR CAREER NEEDS IT, IEEE PROVIDES IT

# Awards and Recognition

There are a variety of awards that recognize contributions at all levels by NPSS members—from student paper awards to high-level IEEE Medals.

## ALWAYS SEEKING NOMINEES

Consider nominating a deserving colleague or find a nominator for yourself. Check the web site for nomination details and deadlines.

## IEEE LEVEL AWARDS

These are high-level awards that are administered by IEEE and open to all IEEE members. While there are many IEEE-level awards, there are only a few that are particularly relevant to the technical fields of most NPSS members. Information on these awards is on the IEEE web site at [iee.org](http://iee.org).

### IEEE Innovations in Healthcare Technology

Award value: \$20,000  
Nomination deadline: July 1

For outstanding contributions and/or innovations in engineering within the fields of medicine, biology and healthcare technology.

### IEEE Marie Sklodowska-Curie Award

Award value: \$10,000  
Nomination deadline: January 31

For outstanding contributions to the field of nuclear and plasma sciences and engineering.

## IEEE SENIOR MEMBER AND FELLOW

[iee.org/npsc](http://iee.org/npsc).

Election to these membership categories of the IEEE signifies significant career experience and extraordinary achievement. Please check [iee.org/fellows](http://iee.org/fellows) for details.

## NPSS LEVEL AWARDS

These NPSS awards can be given to applicants who are in any of the technical fields of the NPSS. More information and nomination forms for all the following awards can be found on the NPSS web site: [iee.org/npsc](http://iee.org/npsc).

### NPSS Merit Award

Award value: \$5,000  
Nomination deadline: January 31

For outstanding technical contributions to the field of nuclear and plasma sciences.

### NPSS Richard F. Shea Award

Award value: \$5,000  
Nomination deadline: January 31

For outstanding contributions through leadership and service to the NPSS.

### NPSS Early Achievement Award

Award value: \$3,000  
Nomination deadline: January 31

For outstanding contributions to the field of nuclear and plasma sciences within the first ten years of an individual's career.

### NPSS Graduate Scholarship Award

Award value: \$1,500.  
Nomination deadline: January 31

To recognize outstanding contributions by graduate students in the field of nuclear and plasma sciences.

## NPSS TECHNICAL COMMITTEE LEVEL AWARDS

Technical Committee Awards are generally given only to people who work in that specific technical field. These Awards are administered by the individual Technical Committees of NPSS, and so their nomination deadlines, forms, and submission instructions vary. More information on any of these awards can be obtained online at [iee.org/npsc](http://iee.org/npsc).

### Computer Applications in Nuclear and Plasma Sciences

- » Computer Applications in Nuclear & Plasma Sciences Award

### Fusion Technology

- » Fusion Technology Award

### Nuclear Medical and Imaging Science

- » Edward J. Hoffman Medical Imaging Scientist Award
- » Bruce H. Hasegawa Young Investigator Medical Imaging Award

### Pulsed Power Science and Technology

- » Erwin Marx Award
- » Peter Haas Pulsed Power Award
- » Arthur H. Guenther Pulsed Power Student Award

### Particle Accelerator Science and Technology

- » Particle Accelerator Science and Technology Award
- » Particle Accelerator Science and Technology Doctoral Student Award

### Plasma Science and Applications

- » Plasma Science and Applications Award
- » Igor Alexeff Outstanding Student in Plasma Science Award

### Radiation Effects

- » Radiation Effects Award

### Radiation Instrumentation

- » Radiation Instrumentation Outstanding Achievement Award
- » Radiation Instrumentation Early Career Award

## CONFERENCE STUDENT PAPER AWARDS

Most NPSS conferences present an Award for the Outstanding Student Paper presented at that conference. For information on the submission instructions, forms, and application deadlines for these Awards, please check the conference web site through [iee.org/npsc](http://iee.org/npsc) or contact the General Chairman of the relevant Conference.
