

Attention: Conference Authors

- Please submit a full version of your manuscript to the appropriate IEEE/NPSS journal
 - IEEE Transactions on Plasma Science
 - IEEE Transactions on Radiation and Plasma Medical Sciences
- These journals are highly regarded in their Fields of Interest
- Details on the journals and submission process can be found at
 - <http://ieee-npss.org/publications/>

IEEE TRPMS Topics

- › Radiation detectors for medical and biological applications
- › Imaging system design/optimization/performance
- › PET/SPECT/CT image reconstruction
- › PET/SPECT/CT Data analysis and image processing
- › Medical radiation therapy applications
- › Clinical/preclinical evaluation of imaging and therapy systems
- › Simulations for imaging and therapy applications
