The IEEE Woman in Engineering (WIE) is one of the largest international professional organizations dedicated to promoting women engineers and scientist, and inspiring girls around the world to follow their academic interests in a career in engineering and science. To achieve these goals, NPSS supports several programs.

- WIE events at NPSS-sponsored conferences are supported by NPSS to cover costs related to these functions. → Join the event at this conference!!!

- NPSS supports WIE speakers outside of the conference community to attend NPSS conferences as guest speakers at WIE events.

- The WIE International Leadership Conference (WIE-ILC) is an annual event bringing together female and male leaders from around the world. NPSS provides one travel grant per year of up to $3000 to an NPSS/WIE member to attend this conference.

- The NPSS Child Care Assistance Grant to cover child-care expenses at the conference location or at the family home while parents are attending sessions as well as transportation expenses for childcare providers. Eligibility and details can be found on the web site.
