

Nomination Form for the IEEE Computer Applications In Nuclear And Plasma Sciences Award

- Description:* To recognize individuals who have made an outstanding achievement in the application of data processing and computers in nuclear and plasma sciences.
- Prize:* \$3000 and a plaque.
- Funding:* Funded by the IEEE Nuclear and Plasma Sciences Society's Real-Time Conference budget.
- Eligibility:* Any person, regardless of nationality, is eligible for the award. This includes members of the CANPS Technical Committee. Nonmembers of IEEE or NPSS are also eligible.
- Judging Basis:* Evidence of outstanding professional contributions to the profession of utilizing data processing and computers in nuclear and/or plasma sciences research. Supporting information can include significant technical contributions, publications and patents, and contributions to the NPSS and its associated fields.
