

## TRPMS gets an impact factor

IEEE TRPMS was just awarded a first official **impact factor of 4.4**, largely above the current impact factor of most competing medical physics and engineering journals. The journal also continues its advancement in the JCR with a **Q1 JCI ranking of 16/202** (from 41/200 in 2021) in the category of "Radiology, Nuclear Medicine & Medical Imaging" category. Thank you to all our editors, reviewers and authors for your support in making TRPMS a great success.
