

NPSS Initiative Report

Congratulations on the approval of your project funded by NPSS nearly a year ago. We would like to remind you to give us a short report and feedback as requested below. Please answer all questions and be brief and within the character limit. However, any further documents submitted in addition, e.g., a full report, in addition to this questionnaire will be appreciated as well.

Name of the initiative/project (Title)

Report Submitted by (First and Last Name plus email)

Name

Email

Actual funded year. Choose

1 year

2 years

3 years

Please describe the project progress (max 2,000 char)

NPSS Initiative Report

Was it as successful as proposed/submitted? (max 500 char)

If not, what was the reason and what could have been done better?
(max 500 char)

How did the initiative align with the NPSS and/or IEEE strategic goals?
(max 500 char)

Do you think the impact of the initiative and benefits accrued were valuable?
(max 500 char)

If this was originally submitted as a multiyear project, do you want to be considered next year for this project? (up to the limit of three years)?

Yes

No

If Yes, summarize the workplan for the next year, any changes to the original budget (increases are not automatically approved), and provide metrics to measure success. (500 char)
