

Search for Editor-in-Chief IEEE Transactions on Nuclear Science

The IEEE Nuclear and Plasma Sciences Society (NPSS) is undertaking a search for an Editor-in Chief (EIC) for the IEEE Transactions on Nuclear Science (TNS), sponsored by this Society. The function of the Editor-in-Chief is to oversee the daily operations of TNS; the position is for a three-year term and is optionally renewable for additional terms. The term of appointment will begin in 2025 after a transition period between the current EIC and the selected applicant.

For a complete description of the position and necessary documents for an application, interested parties should click on the [Search for TNS Editor-in-Chief](#) link on the [NPSS Home Page](#).

Features in This Issue

Single-Event Effect Characterization of 16 GHz Phase- Locked Loop in Sub-20 nm FinFET Technology

by Hanhan Sun, Zirui Wu, Deng Luo, Bin Liang, Jianjun Chen, and Yaqing Chi
